### Code of Ethics

In the interest of creating clarity about our intent, we have adopted this code of ethics. We are here to create and support a community of trust and caring. Relationships are crucial, and must be mutually respectful with clear boundaries. Abuse of any kind will not be tolerated, whether sexual, verbal, emotional, or physical. In the interest of creating a safe, respectful community, we agree that: 1. weapons, alcohol, and drugs are not part of this weekend community, 2. tobacco is permitted only for participants of legal age and in specified areas, and 3. sexual activity is for consenting adults only. In signing this statement, we indicate that we understand and agree to abide by the Seabeck rules and this Code of Ethics. Violation of rules will lead to dismissal from the retreat with no refund. (To be signed by all youth & adults).
